

# Marist Catholic School Herne Bay News

Term 4, 2023

## Our Charism

As Marists, we think, judge, feel and act in the way of Mary

## Our Mission

Quality learning opportunities, with Jesus Christ as our guide

## WHAT'S BEEN HAPPENING AROUND THE SCHOOL:

### Marist Colour Run:

A colourful experience exploded on the Marist Field on Friday 3rd November.

Everyone was dressed in white, pale colours looking clean and plain at the end of lunchtime. By the end of the event everyone was wet and covered in coloured dye making the field like a rainbow.

Our PTA organised an amazing event with our DoM's creating a challenging and awesome obstacle course for the students to run through. Our parents and teachers had fun spraying the students with water guns, hoses and colour.

The students raised money for our senior playground by getting friends and whānau to donate towards the event.

### Principal for the Day:

Being the principal of the day was fun and busy. We really enjoyed being able to make Marist students happy and learn about what Ms Glesson gets up to during the day. We ran around all day doing different jobs all over the school from being in classrooms to students, giving out birthday pens/pencils to the students to working in the library. We have really enjoyed our time at Marist and we are very lucky to have been given the opportunity to be principals for the day during our final year at Marist.

## Marist Market Day:

Last week wrapped up our Term 4 inquiry with a Market Day. All the students created a stall to raise money for a chosen charity. We had stalls from homemade lava lamps, bookmarks to face painting and photo booths.

Congratulations to all the students and teachers for creating such a wonderful afternoon of Outreach. We raised \$1,440.10.....

SPCA = \$272.10  
Auckland City Mission = \$314.40  
HUHA = \$266.30  
Cancer Society = \$293.65  
Starship = \$293.65

### Swimming Week:

In week 5 we all enjoyed a fun week of swimming at the Ponsonby Teps.

These lessons are an intensive week of swimming lessons aimed at our individual needs. Swimming everyday for a week is fun but tiring. The progress that all the students make over the week is awesome. We look forward to it next year.

### ICS Athletics:

In week 6 some of our Year 5/6 students represented Marist at the ICS Athletics Competition at Takapuna Athletics Club. The students all did really well against extremely tough competition.

A special mention to ....

Sabrielle Elim = 2nd in Year 5 girls 200m.  
Seron Stanley = 2nd in Year 6 boys 200m.

### Catholic Schools Cross Country:

Despite the rainy weather, the Yr3-5 students had an amazing time at the Catholic School Cross Country Competition! There were many schools participating (around 20 in total). All the children performed exceptionally well.
